

American Legion Post 184
Wildwood, NJ

**BUILDING DONATION
PROPOSAL**

The American Legion Post 184 has served the Wildwood community at 4200 Atlantic Ave for over 80 years. Offering a space for veterans to find camaraderie, offer stories of their time defending our country, and working together to help others in need, the American Legion is a staple of Wildwood. Each year the Post handles the summer influx of veterans and their guests, and each year the post is in need of more TLC to keep up. Post 184 is home to local veterans that volunteered their life to fight for our country, who have raised over one million dollars for the community, and have helped thousands of people here and across the country in time of need. Now, the American Legion Post 184 is asking for help to continue their mission, in ways of donation, sponsorship, and volunteering.
